Dear Community Partner,

On April 27, 2019, the Trenton Alumnae Chapter of Delta Sigma Theta Sorority, Inc. will bring together our friends, neighbors, businesses, local community organizations and families for our 2nd Annual **Sisters Walk** in Cadwalader Park (Trenton, NJ) to heighten awareness about breast cancer and the importance of early detection and screening.

As a local organization committed to public service, we are sponsoring this important and inspiring event to raise funds, educate our community and support local women and men afflicted with breast cancer. **Won't you consider joining our Trenton Community Partners and us to support, educate and inspire?**

All of us have been touched by breast cancer, whether it is a sister, mother, daughter, other family member or friend. Breast Cancer is a major public health concern in New Jersey as 7,890 of our neighbors were diagnosed in 2017 and we sadly lost 1,250 that same year. Notably, the Centers for Disease Control and Prevention (CDC) notes disparate cancer death statistics for African American women compared to their Caucasian female sisters. Breast cancer death rates are 40% higher among black women than white women.

If you're able, we'd love it if you could become a sponsor to help us achieve our goal of raising (\$6,000) to benefit two worthy organizations:

- **Sister2Sister (S2S)** is a 501©3 organization that has provided years of breast health advocacy, education, and survivor support to the Central New Jersey Community. S2S was formed in January 2000 and serves as a critical resource for women battling the disease of breast cancer. Because underserved women have the highest breast cancer mortality rate, the organization's mission is to alert communities, families, and the media to the devastation breast cancer causes in the community.
- The **YWCA Princeton's Breast Cancer Resource Center (BCRC)** is dedicated to providing support and information to women and their families affected by breast cancer. Their mission is to provide every woman who reaches out to them with personalized programs and services that will enable her to live with, through, and beyond breast cancer.

Enclosed you will find a sponsorship form to which you can choose your level of support. Sponsors of our event will have their logos printed on the walk t-shirts to show their support for this important event and to be recognized as community partners in health and wellness.

I look forward to hearing from you and please feel free to reach out anytime at (609) 510-8105. Thank you!

Sincerely,

Linda Wyatt-Simpson
