Winter Wiggins

Dear Community Friend,

Delta Sigma Theta Sorority, Incorporated is a public service organization serving our communities all over the world. Since the sorority's founding, more than 300,000 women have joined the organization. The sorority currently has 1,000 collegiate and alumnae chapters located in the United States, England, Japan (Tokyo and Okinawa), Germany, the Virgin Islands, Bermuda, the Bahamas, Jamaica and the Republic of Korea. The Trenton Alumnae Chapter's membership includes over 130 women of diverse backgrounds who work throughout the state of New Jersey in private and public entities. Our Health and Wellness committee is focused on programs that foster better health and promoting a strong emphasis on the quality of life.

Breast Cancer is a major public health concern in New Jersey which affects everyone and although 99% of all breast cancer occurs in women, men get breast cancer too. The American Cancer Society estimated that by the end of 2017 in New Jersey, at least 7,890 women were diagnosed with breast cancer and 1,250 died of this cancer. Early detection and early treatment are the keys to survival against this powerful disease. As an organization that is committed to community service, sharing and enlightening others about ways to improve the quality of their lives is our focus. Our goal is to allow the community to take ownership over their health and to practice good healthy behaviors.

The Trenton Alumnae Chapter of Delta Sigma Theta Sorority, Inc. is sponsoring a "Sisters Walk" for breast cancer and calling for businesses, and merchants to assist with disseminating a wake-up call into communities. This event in partnership and with the support of many other groups, sponsors and other organizations that care about breast health, has been planned to heighten public awareness about breast cancer and the importance of early detection and screening. The proceeds are to benefit Sister2Sister (formerly Sisters Network). The event will take place **on Saturday, April 21, 2018 from 9:00am-12noon, at Cadwalader Park in Trenton NJ.**

To assist us with this effort we are requesting your support by way of being a sponsor of the event to which your business will be printed on the event T-shirts in show of your support for this very important effort. Together we can be a part of the solution by helping to educate and enlighten our community about early detection and prevention. Enclosed is a sponsorship form to be completed with all the needed details of how you can help us. Your cooperation and support is deeply appreciated. For further information, please call me at (609) 510-8105.

Sincerely,

Linda Wyatt-Simpson
